**Vigil and Rally**

This international day of protest marks the 10th anniversary of the Guantánamo prison and the human rights violations it represents, including torture, detention without charge, unfair trials, Islamophobia, and impunity for crimes by US government officials.

- *Close Guantánamo and end abuses at Bagram*
- *End indefinite detention & military commissions*
- *Release detainees or charge and fairly try them in federal court*
- *Hold government officials accountable for torture & other serious abuses*
- *End the Islamophobia that justifies Guantánamo & US detention policies*
